Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Monday 23 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry with brighter spells, these best in the west.

Today:
Mostly dry with some bright or sunny intervals, these best towards the west coast and around Skye where it will feel pleasantly warm. Always cloudier in the east, with some mist around the coast. Maximum temperature 21 deg C (70 deg F).

Tonight:
A dry and bright evening for many but haar starting to form around the Western Isles and spreading east to mainland west coasts by morning, clearer in the east. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Low cloud, mist and fog are likely to continue to persist around north and west coasts but some brightness and warmth for most inland areas and Inverness. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
A dry and very warm few days with some spells of sunshine. Some cloud around at times especially in the north and around the west coast and Western Isles.
